- I give permission for my child's picture and/or name to be used as indicated
- I DO NOT want my child's picture and/or name to be used as indicated

Custody Concerns:

Throughout the year, parents, relatives, and friends routinely sign children out from school. In an effort to ensure that all students are released to the appropriate people, we are updating our custody files.

- There are NO custody issues regarding my child. If at any time this status changes, I understand that I am responsible for providing a copy of the custody papers to the front office at Roland Rogers Elementary School. A copy of all court orders will then be forwarded to the district office. If custody papers are not on file at school, I understand that my child may be released to either parent or any other person listed on the emergency form.
- There ARE custody issues regarding my child and the latest court orders were given to the front office at Roland Rogers. I am aware of my responsibility to furnish the school with copies of any updated custody papers. If I fail to do so, I understand that the latest papers on file will be enforced.
